Well it has been a long four years, now I have to say farewell. I would like to say a final goodbye to Mr. Armand M. Bennett and Mrs. Zymanski, metco sec. So goodbye to all the graduating Metco Seniors and all the Metco Students who will be graduating later I give a special farewell to Michelle Seymour who turned out to be a true friend indeed. Some very special advice to metco freshmen and that is just keep reaching for the stars.

Full steam ahead, never looking behind,
Never been there before, as if they're blind.
Yet they jump right in, to the humongous pool
And expect things so easy, just like high school.

But we're no different from anyone in the past,
Everyone wants to grow up a little too fast.
They forget their youth and now it's gone,
And later in life they'll sing their sad song.

These times when we're young are the ones to hold tight.
Why try to grow up in just one night?
Your whole life ahead, with only a little gone by,
You'll worry yourself into that place in the sky.

The solution is easy and perfectly clear,
You should live for yourself, the time that you are here.
Your life is too precious to just waste away
And put off the fun things that should be done today.

Enjoy life or you'll grow old and sad,
Wondering whatever happened to good times had.
Believe what is written without a doubt,
Time never ends, it just runs out.

STUDENT GOVERNMENT

SENIOR CLASS

The class officers have been very busy this year finalizing plans for graduation. The motto committee run by Carol Giusti, John O'Neill and Doug MacBride submitted three choices from which the motto was selected: Carpe Diem - Seize the Day. The officers and homeroom reps have also been planning the class trip to Moodus, Connecticut which will hopefully be a great success.

Senior Class Officers (L to R) Front: Carol Kelly, secretary, Dave Keating, president, Kristin Lombard, vice-president, Nicole Johnson, treasurer, Kevin Irvine, assistant treasurer and Laurie Trudeau, assistant treasurer.

JUNIOR CLASS

Junior Class officers and homeroom reps have been very active running fund raisers and planning the Junior-Senior Prom. They sold candy canes at Christmas and carnations on Valentine's Day.

The Prom this year was a tremendous success attended by 432 students and guests. Decorations of black, white and silver were smashing. Prom favors of black sunglasses were worn by many during the evening and dancing was enthusiastic from beginning to end.

Junior Class Officers (L to R) Seated front: Patty Lee, president, Dan Gamache, vice president, Christina Terio, secretary, Mike Rizzo, treasurer, and class advisors, Janet Williams and Diane Hampe.

SOPHOMORE CLASS

Sophomore class officers and representatives have been involved in fund raising to increase their treasury. A Valentine's dance was held at which a DJ provided the music for a fun-filled evening. Also a ski trip to Nashoba Valley was organized. Forty sophomores swooshed down the slopes all day with only one slight casualty.

Sophomore Class Officers Mike Peck, vice president, Brett Nicoletti, treasurer, and advisor Greg Demeo. Missing from picture: Dana Mandell, president.

FRESHMAN CLASS

The Freshman class got off to a running start during its first year at Walpole High School. Two fund raisers were held - a candy sale and a wrapping paper sale. These projects brought in over $3000 for the treasury.

Freshman Class Officers (L to R) Front: Carrie Wiley, vice president, Jim Rosenthal, president. Back: Diane Barr, advisor, Tony Staley, treasurer, Dan Tobin, secretary.

STUDENT COUNCIL

This year the student council has been very productive. This past fall the student council sponsored several dances, as well as a powder puff football game where the senior girls challenged the girls from the freshmen, sophomore and junior classes. The student council also held the annual haunted house in the cafeteria for the children of Walpole and surrounding areas. Members also served a spaghetti dinner for the faculty on parent/teacher conference night. The student council finished up a very successful year with the annual spring fling.

FRONT (L to R): Katie Collins, Dana Mandell, Stacey Cassidy, Colleen Barry, Donna Collins, Carrie Wiley, Gretchen Wallrapp, Chris Quinn, Cheryl Baily, Kristin Lombard, Carol Kelly, LeRoy Decker, Jack Platukis, Patty Collins, Kathleen Dwyer, Mike Gass, Keith Tracey, Tom Keaney, Kevin Irvine, Nectaria Gianasmidis, Miss Mara, Amy Tripp, Tricia Rodgers, Jenn O'Connell, Dawn O'Connell, Mike Rizzo, Ally Baker, Tracey Bates, Patty Lee, Rich Dempsey, Jane Connelly, Jen Prasi.

Above: Dawn O'Connell, Nickie Johnson, Ally Baker and Kristi Doherty participate in powder puff football. Right: Carrie Loring and Kelly Browne enjoy themselves at one of the many student council dances.

STUDENT ADVISORY TO SCHOOL COMMITTEE

The members of the Student Advisory Council are required to attend Walpole School Committee meetings monthly. The SAC members are also asked to participate in these school committee discussions. This gives the students an opportunity to become more involved in the educational system and also allows the committee to hear the opinions and ideas of the student body.

FRONT (L to R): LeRoy Decker, Mrs. Kunz, Patty Collins, Dave Keating.

GREATER BOSTON STUDENT ADVISORY COUNCIL

Carol Giusti and Michelle Elefsides were Walpole High School's representatives this year. Once a month they traveled into Boston to 1 Ashburton Place where they attended meetings with other students from the Greater Boston area. At these meetings the reps discussed different aspects of the students in Massachusetts and how to improve their school life.

JOURNALISM

Journalism classes taught by Mr. Schnorbus this year were responsible for the production of the Rebel Runt, the Rebellion, and the Educator's Exchange. Each member of the class was required to write an article every two weeks. It was then determined afterwards which paper each article was to be printed in. The class' biggest project during the year was to write a 1000 word article for the mid-year exam. Also, the journalism students went to the Boston Globe for a field trip.

Editors of Rebellion - Stephanie Nolfi, assistant - Andrea Glynn.
Editors of Rebel Runt - Pat Ware, Angela DeVasto.
Editors of Educator's Exchange - Jen Duffy, Liz Coffin (first year of student editors).
Publications and word processing staff - Tom Rosenthal, Harrie Schoots, Jim Gardner
Photographers - Chris Meelia, Christine Leonard, Matt Peterson.

FRONT (L to R): Jen Duffy, Stephanie Nolfi, Jolene Lewis, Andrea Glynn, Pat Ware, Mr. Schnorbus, Liz Coffin, Chris Meelia, Mandy Manocchio, Kristin Keefe, Cindy Harding, Diana Barsky, Terry Manson, Christine Leonard, Norah Boyle, Karen Wolfram, Michelle Denneen, Matt Peterson, Mary Kennedy, Lisa Nolan, Tom Rosenthal, John Hogan, Harrie Schoots, Charlie Kennedy, Jim Gardner, Angela DeVasto.

FRONT (L to R): Nancy Darish, Norah Boyle, Miriam Carroll, Carrie Weatherbee, Lisa Nolan, Kathy Jackson, Emily Kelly, Mary Kennedy, Pat Ware, Amy Burke, Scott Palleiko, Tom Becker, Lauren Buckland, Keith Trundley.

LABYRINTH

This creative writing magazine is in its 21st year of publication at Walpole High School. The Labyrinth consists of short stories, poems and art work done by Walpole High students. Most of the articles and pieces of work were collected during the creative writing week. Each person on the staff is responsible for 10 pages of the magazine. Editor Norah Boyle and assistant Kathy Jackson contributed a great amount of time and effort to make the Labyrinth a success.

RADIO STATION

The 1990 Radio Station was once again advised this year by Mr. Tim "Elvis" Hogan. Many seniors as well as underclassmen were involved in making WSRB 91.5 the best it could be. One memorable event was the Dave Keating Extravaganza, which was on Monday nights from 7-9. Chuck Sudhalter was also very active on WSRB and began reporting sports this year. Next year proves to be packed with talent and should be as great a year as the 89-90 WSRB.

FRONT (L to R): Tim Hogan, Shane Stornanti, Lawrence DiGiusto, Jen Marshall, Jeremy McLean, Pete Nixon, Tom Becker, John Todd, Carrie Weatherbee, Gillian Proctor, Mike Harris, Andy Harris, Mary Staubitz, Malia Spicer, Nicole Cox, Jason Colvert, Karen Wolfram, Mike Duffy, Neil Shea, Chuck Sudhalter, Michelle Davis, Dan Tobin, Dave Keating, James Andrews, Mark McCabe, Pat Ware, Scott Palleiko, Jason Dupree, Bob Sinclair, Wayne Eklund.

REBEL NEWS and VIEWS

This year's Rebel News and Views was once again a smashing success. Led by their zany advisors Mrs. Diane Hudson and Tim Hogan, the cast and crew of R.N.V. put on many great shows. Carol Giusti, Charlie Kennedy, Liz Coffin, and Dave Keating were the seniors who did a superb job leading the crew. No one will ever forget all the times Mr. Hogan lost his temper when the talents wouldn't cooperate. Overall the cast and crew of Rebel News and Views had a great time researching and reporting the news of Walpole High School.

FOREIGN LANGUAGE

LATIN CLUB

As usual, this year's Latin Club was chock full of activities, including a party to celebrate the founding of Rome, and the Saturnalia celebration.

The climax of the club's activities was the Roman Banquet. This included a procession of the provinces, Olympic games, and a dynamic dinner. The highlight of the Banquet was the thrilling chariot race. Who could forget the excitement of watching the chariots race down the track.

Some members of the club will travel to Rome this summer. How exciting it will be to actually see the city that they have studied for so long. A thrilling conclusion for this year's Latin Club.

SPANISH CLUB

Buenos dias! The Spanish Club this year took part in many activities. First, there was the annual trip into Boston to eat at Guadalahara's restaurant. Later they enjoyed a fiesta celebrating El Dia de los Reyes. A good time was had by all at the pinata party. See you next year, Spanish Club! Adios!

SENIOR FRENCH CLUB

This year marked the debut of the Senior French Club, and what a year it was! The club whipped up an eight course French cuisine consisting of fish and various vegetables with delicious crepes for dessert. Later in the year they traveled to Boston to see the Monet exhibit and view great theatrical pieces such as Les Miserables and the film Au Revoir Les Enfants.

ACADEMIC DECATHLON

CLUBS

For the fifth year in a row, the Academic Decathlon Team qualified for the state finals. Walpole placed its highest ever in the qualifying round, coming in fourth out of 50 schools. Walpole then moved on to compete in the state finals at Franklin High School. The team did its best ever, ranking fourth out of 16 schools. Many team members won various medals at this competition. Elizabeth Coffin won a gold in history and a bronze medal in fine arts. Jen Duffy won a bronze medal in history along with Steve Berry. Christine McGroarty won a bronze for her essay and a silver medal in history. Doug MacBride won a gold medal in mathematics and also was two questions away from receiving a perfect score. John O'Neill won a bronze in economics, a silver in science and a bronze in literature. Finally, Mike Rogol earned a bronze medal in economics and a silver in history.

This year the Decathalists received sweatshirts and were treated to a luncheon given by the Rotary Club.

MATH TEAM

The Math Team this year was advised by Miss Mara, Mrs. Forester and Mrs. Lind. The team competed against other schools in the areas such as Sharon and Westwood. Members worked hard to improve last years record.

FRONT (L to R): Ann Munro, Matt Reardon, Tom Becker, Lauren Buckland, Shawn Famiglietti, Dan Ciavattone, Dave Holland, Brian Yergation, Chris Valle, Shuchi Gupta, Chrissy Davey, Mike Rogol, John O'Neill, Steve Berry, Liz Coffin, Doug MacBride, Paul Gerrish, Tony Fernandes, David Giesecke, Denise Pallieko, Laurie Trudeau, Jen Duffy.

SPOTLIGHT PROGRAM

This years Spotlight Program featured about 20 students for each session. The focus of the program for fall 89 was Self Discovery and its Relationship to the World of Work. This workshop aimed to help students take control of their future and adjust to planned changes in life. The spring session also dealt with self discovery and careers.

FRONT (L to R): Diana Barsky, Kristen Burke, Norah Boyle, John Hogan, Dave Keating, Mary Kennedy, Emily Kelley, Mr. Coviello.

CLUBS

PEER LEADERS

The peer leadership program was established to educate children in the middle schools about the dangers of drugs and alcohol. This year the peer leader program was voluntary. The peer leaders were taught how to educate the young children before actually going into the classroom. This year the peer leaders talked to children in the fifth and seventh grades. It was rather a successful year for the peer leaders.

FRONT (L to R): Amy Tull, Kristen Burke, Dana Mandell, John Todd, Brian Moore, Christina Terio, Clare Sullivan, Kim Peterson, Lisa Polo, Mike Duffy, Betsy Lowe, Shelly Barnes, Kevin Merrikan, Karen Griffen, Diana Barsky, Pat Ware, Brian Lee, Andy Sutton, Mike Gass, Keith Tracy, Kristi Doherty, Jen Berry, Mrs. Nashawaty, Denise Palleiko, Scott Palleiko, Eric Minkwitz, Megan Nugent, Patty Collins, David Gieske, Melissa Schiffer, Cheryl Weber, Lynn Zographos.

S.A.D.D.

The Walpole S.A.D.D. chapter this year once again helped make the community more aware of the danger of drinking and driving. During the winter holidays S.A.D.D. members launched the Red Ribbon campaign. This project consisted of distributing red ribbons to tie on vehicles to remind others not to drink and drive. Also S.A.D.D. handed out key chains and logos at the Prom to once again inform students that drinking and driving don't mix.

ART CLUB

The Art Club's first year at Walpole High School proved to be a huge success. Among their many activities, the club went to the Museum of Fine Arts to see the Monet exhibit. They also traveled to the Transportation Building to see the Globe All Scholastic art work of their fellow students. After school, the club dabbled in making jewelry and Batik material.

FRONT (L to R): Lauren Buckland, Hannah Gilmore, Jen Polvado, Rachel Carver, Nicole Gunning, Kerry Jackson, Mrs. Hampe, Tracey McCarthy, Dona LaChance, Christine Winslow, Lisa Casey, Kate Stumpek, Megan Nugent, Sarah Karaian.

METCO

The METCO program continues to be a success in its 23rd year. The program transports students from various sections of Boston to Walpole each day. The students in METCO have learned to adjust and achieve socially and academically in a multi-cultural society. The program strives to enrich both the students in Walpole High School and the METCO students in all areas of life.

FRONT (L to R): Marie Halverson, Mary Ann Laing, Kevin Irvine, Pat Ware, Tasha Thomas, Nicole Ramsey.

NATIONAL HONOR SOCIETY

These members of the Class of 1990 were inducted into the Honor Society in June 1989. All of the students selected for the Honor Society must possess the qualities of leadership, service, scholarship, and character. The members worked for the American Red Cross phonathon and raised about $3,000 in one night.

ORCHESTRA, CHORUS, AND BAND

This year's music department experienced an unprecedented amount of success. The auditorium was packed with people during their concerts, and standing ovations became a common occurrence.

The highlight of this year was the five day trip to Williamsburg, Virginia. During their stay, the music groups took part in the Busch Gardens competition. The orchestra received a first place award with a superior rating, and also the award for best orchestra. Mixed chorus likewise won first place with a superior rating and an award for the best chorus. Show choir received an excellent rating. The band came in fourth and the jazz ensemble impressed everyone with a first place award and a superior rating.

This year's music department can be proud of their accomplishments.

Pictured to the left are our fearless leaders: Mr. Falker, Ms. Horowitz, Mr. Pearson, and Mr. Reynolds.

DRAMA

The Drama Club experienced a productive and thrilling year. Their production of the Curious Savage set high standards for the rest of their performances. How could such an excellent production be topped? The answer is West Side Story. Their hard work and dedication paid off when the cast performed in front of a sold out auditorium. Hardly a dry eye could be found at the end of the play. The standing ovations given by the audience were proof of a job well done. This however was not the end to their activities. In the spring, the club performed two student directed one-act plays. The talents of the drama club members are an inspiration to us all.

Everyone here, myself included, is proud of the achievements of this class. We have shown excellence in the classroom, on the athletic field, and in the fine arts. Great things are expected of this class, for it will provide the future leaders of our society in many diverse fields. As we graduate today, we should look ahead. We must realize that we will now be separated from our comfortable high school lifestyle and soon will have to fend for ourselves in new and different collegiate or professional environments.

Our class motto is carpe diem - "seize the day." This is sound advice for our future careers. As we go on to college, work, or professional or technical schools, we must remember that opportunities are few and far between and we must all seize our own day in order to enjoy success. It is true that "he who hesitates is lost" and we must never hesitate when it comes to deciding or acting in important situations.

We all have dreams and hopes for tomorrow. We must seize every day, grasp every opportune moment, and act in every advantageous situation to make those dreams a reality.

SALUTATORIAN

Today is a culmination for all of us of twelve years of hard work. We have, each of us, achieved success in our different ways. We have shared our minds, our talents, our friendships, our laughter, and yes, our disappointments. Together we have reached today, all of us as equals, all of us sharing the joy of seizing the day.

Today is the end of our high school career, but it is also a beginning. Today a whole new world opens for us, a world of new opportunities to be taken, new challenges to be met, new successes to be achieved, new horizons to be explored, and we must seize these opportunities.

Today then is bittersweet. We must leave the security of our high school to enter this new world of opportunity and challenge. We must work hard to achieve our goals. We must build on the solid foundation that we have received here, and go on to greater heights. But we must also strive to do our best, and at every moment, to seize the day.

To the teachers of the town of Walpole, thank you for the past twelve years, to friends and family, thank you for sharing our laughter and our tears, our highs and our lows, thanks, Mom and Dad, for always being there, and to the Class of 1990, good luck in all your future endeavors. May God bless you all.

OUR DAY

SENIOR YEAR

Grown-up so quick, look at me now! I'm on a roll, there's no slowing down.

How did I get here? Where has it gone? My high school career so far along.

Yesterday's English class was back in junior high, now I'm a senior, God how time flies.

COLLEGE!! What's that? I'm only 18. 18!!! My God what happened to me?

Will they accept me? Will I get in? Where is my essay? Will I fit in?

An application today, tomorrow again. Slave over questions, when does it end?

First freshman, so timid, then sophomore, I'm in. Junior now Senior.

SENIOR!!! How long have I waited to be on the top. Senior, senior it's such a great spot.

Graduation is coming. It's almost here. For the class of 1990 this is our last year.

WAIT!! I don't want it, please stop the time. Stop it from ending, stop it from leaving. I don't want to hear.

Good-byes with much sadness. Farewells keep in touch! So long it's been memorable. Good-luck with your life.

Oh, God I don't want it, it's all at an end. A has-been, a grown-up, responsibility set in.

Oh, God I don't want it, grant my last wish.

Make me a freshman, number one on the list!!!!!!!!!!

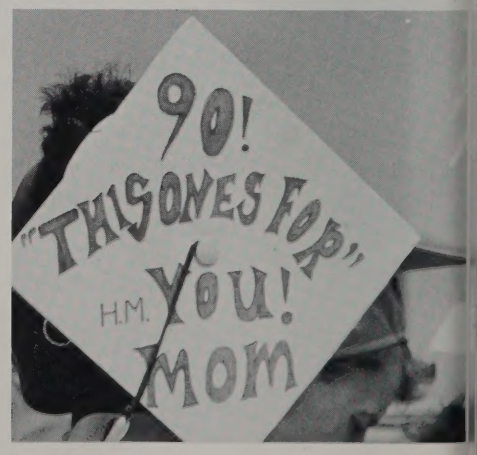
1990



90!
"THIS ONES FOR"
H.M. YOU!
MOM

"Suddenly someone was missing.
To seniors, the freshmen have always been mirrors of their younger selves. Now all reminders of former fears and fun had disappeared. Echoes of the senior class' past insecurities were swept from the corridors and silhouettes of their former selves flitted down the hallways and out the door.

It's the first day of school and it's my first time ever in this building and so far all I've been able to find is the cafeteria and that's not where ninth grade English is and somebody help me. The freshmen were gone, the distance between the youngest and oldest was now clearly defined by separate hallways."

At this point, the mighty seniors pick-up where the rebel left off:
"We collected sets of, transitory emotions, amassing a crowd of human feeling that thinned and thickened at a constant rate and kept us going until graduation.

All of a sudden senioritis hit.
The disease manifested itself in lunch periods galore and abundantly, non-obligatory study halls, in parking privileges, and partying. The class of 90 was bigger and better than ever and we let everyone else know it.

"Our bubble burst when some of us didn't get accepted to the college of our first choice, didn't get that job, or didn't get to the Prom for one reason or another.

The ruptured bubble was partially mended with our anticipation of graduation in June.
In the space that spanned the first day of the last year to the summer ceremony celebrating our initiation into the ways of the world, we awaited. Most of the time we didn't wait quietly."

"And thus the rebel who witnessed the metamorphosis from underclassmen to upperclassmen has helped to tell the mighty seniors story. The saga of the senior has come to a close. The transition from freshmen to seniors seems so simple now. Shedding one shell and slipping into another is easy in retrospect. We were the seniors at W.H.S.

Now we are freshmen of the world. We were a crowd but now we are dispersing into the future. All of a sudden we're reminiscing about "the good old days". "Do you remember when . . . ?"

Classes

Long are the lessons
Short are the thoughts
Time ticks on the clock
Speed never to be seen
Light bright as the sun
Dark minds with sleep
Quiet questions never answered
Loud crinkles of paper
Soft whispers never heard
Dark eyes never seen
Classes so clueless
Each one has a doubt
The homework so lengthy
The answer so stout
We once seemed to wonder
Will this ever end
Ding-dong goes the bell
And on it goes again.

EDUCATIONAL LEADERSHIP

THE TRUTH

Powers and Her Overhead

In Memory of Mrs. Marilyn C. Stone

On May 1, 1990, Walpole High School was saddened by the loss of one of our faculty members, Mrs. Marilyn Stone. Mrs. Jackson described Mrs. Stone as "the strong, quiet optimist we all wish we could be. She enriched and enhanced the lives she touched. We shall miss her laughter, enthusiasm, help, advice, coaching, and pedagogy. We shall miss Marilyn, our tutor, our teacher, our trusted teammate". Students thank Mrs. Stone for the time, understanding, and caring she put into her work. "If she thought you weren't trying hard, she'd push you. Mrs. Stone will be greatly missed by students and faculty alike." Mrs. Kunz said, "Mrs. Stone believed that all students have the right to an excellent education. She worked hard to give students the skills they need to succeed in school and beyond. And when her students did succeed, as they often did, her pride in their accomplishments was ferocious." Mr. Coviello felt that "we as people are richer for having known her. I always had a positive feeling after having worked with her." Perhaps Mrs. Peck best crystallizes our thoughts when she said, "Mrs. Stone - a valued friend whose insight, encouragement, humor, and fortitude are gifts which she so generously gave to students and colleagues. Her life is a lesson to treasure forever." We'll miss you, Mrs. Stone.

Cross Country

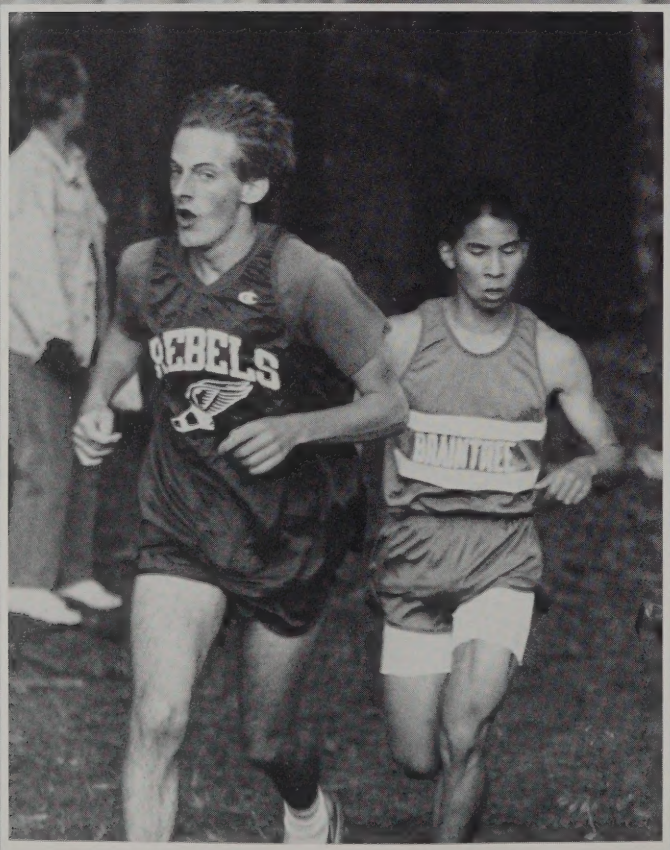
The 1989-90 Walpole Cross Country team had an outstanding season. The varsity team, with a perfect record of 9-0, went on to become Bay State League Champions. The team, which was captained by Micheal Rogol and Patrick Ware, possessed a great deal of talent. Four of the team members were named Bay State League All Stars: Kevin Collins, Jack Dwyer, Patrick Ware, and Scott Wilkas. Sophomore Jack Dwyer was selected as one of the Bay State League's Most Valuable Players.

The two most important meets, according to Coach Erker, occurred at home. The wins against Braintree (23-36) and Needham (24-33) helped to secure the B.S.L. Championship for the Rebels.

One of the highlights of the season was the weekend in New York. While competing in the Kinney Cross Country Meet in Van Courtland Park, N.Y. in November of 1989, the Rebels can say with pride that they "brought a piece of the Big Apple back with them."

Along with possessing a great deal of talent, the Rebels also possessed team spirit. This team will always remember Mr. Erker's "jelly doughnuts," their "Slushies," and especially their victories.

The 1989-90 Rebels Cross Country Team had a very successful season of which they can always be proud.



Albert Goetz, as always, giving his all.

Four dominant runners this year - Pat Ware, Scott Wilkas, Kevin Collins and Jack Dwyer.

Captains Mike Rogol and Patrick Ware, shown with Coach Erker, were inspirational leaders for the team.

Mike and Andy Healy packed a one-two punch against this opponent.

FIELD HOCKEY

Under first-year coach Penny Calf, the Walpole High School field hockey Porkers enjoyed a very successful year, finishing in second place in the Bay State League with a 14-3-1 regular season record. The team also advanced to the South Sectional semi-finals before losing a tough game to Stoughton.

The Porker team was made up of eight seniors, seven juniors, and five sophomores, and included several talented players. Junior Katie Collins, with 39 goals and 12 assists, and Senior co-captain Patty Collins, with 18 goals and 25 assists, were the Bay State League's two top scorers.

Patty Collins was named the Bay State League MVP and selected to the league all-star team, along with winning the team MVP and the Porker Award. "She scored more goals than a forward, and was quickly back on defense. That's what made her one of our best players," Coach Calf pointed out.

Katie Collins was also selected as a Bay State League All-Star, along with winning the team MVP award. She was a dominating forward and had a knack of being in the right place at the right time according to her coach.

Much of the team's strength was provided by its seniors. Co-captain Lisa Plummer was a playing all-star and won the Unsung Hero Award for her excellent play at halfback. "Lisa was a hard-working player and an excellent role model as a captain, Calf noted. Chrissy Davey received the Coaches Award for her outstanding efforts. "Chrissy was a steady performer and never had a bad game. She consistently got her stick on the ball, and she had a powerful drive." Jen Berry started most of the season as Walpole's sweeper. "She played very smart defense," commented Calf. And halfback Lynn Skogseth received the Nancy Hart Memorial Award for her play. "She knew when to tackle and when to contain," said Calf.

Seniors Kristi Doherty, Kathleen Dwyer, and Meg Wiley also played well for the Porkers. "Kristi is a solid player and always showed enthusiasm. Kathleen was a dedicated player who had the ability to enter the game and play hard and smart. And Meg knew her position very well, and was always in the right spot to score," mentioned Calf.

The team was also helped by the presence of its juniors. Along with Katie Collins were Jen Brown (playing all-star), Christine Winslow (12th player award), Hannah Gilmore, Mary O'Connor, Clare Sullivan, and Debbie Walsh.

The sophomore members of the team included Shelley Barnes, Stacey Cassidy, Dawn O'Connell, Erin Platukis, and Amy Tripp.

This combination of quickness and skill, younger and more experienced players, and the presence of an inner drive in each of the Porkers proved invaluable to the team, allowing it to uphold the winning tradition of the Walpole High School field hockey Porkers in the 1989 season.

FOOTBALL

It was a memorable season for the Rebel football team. The many hours of grueling work spent in the off season gave the players a good feeling about the upcoming season. The first five weeks went smoothly, with five easy wins, including a payback victory over Dedham. Then the players, coaches and fans gasped when all-star quarterback Todd Collins fractured his ankle during the second quarter of the Norwood game. With the tougher half of the schedule still left to play, the road to success looked much longer then it had. The players, however, did not lose their composure. Led by a record breaking defense, the Rebels finished the season at 11-0, with seven shutouts, and allowing a mere 23 points.

No one will forget the Wellesley game in which Walpole came in as underdogs and emerged with a 10-0 blanking of the Red Raiders. This climatic victory virtually secured Walpole's appearance in the Superbowl.

The season finale was a 6-2 nail-biting win over the power house team from Brockton in the Superbowl. Who will forget the goal line stand? Brockton had the ball. It was the fourth and goal from the one inch line. Walpole's defense didn't fold, and preserved the lead. The game turned out to be truly exciting, and in the end the Rebels handed Coach Lee his third Superbowl victory.

It was a season won not only with hard work and ability, but more with heart and desire.

GOLF

The Rebel golfers, behind first-year coach Ed Woronicz, finished a successful 1989 season with a record of 9 wins and five losses, which put them in a tie for fourth place in the Bay State League. The team featured seniors Steve Nanicelli (captain) and Charlie Kennedy, juniors Tim Berry, Mike King, Brian Bain, Gareth Peters, and Mike Rizzo, sophomore Jeremy McNutt, and freshmen Jon Todd and Brian Kelly.

Walpole was led by Gareth Peters with a stroke average of 44.7, followed by Mike King with an average of 45.2 and Steve Nanicelli with an average of 45.5. Peters and King were named league all-stars.

Brian Bain was Walpole's greatest improvement over the course of the season, improving his stroke average from 50.6 after the first four matches, to 48.0.

Tim Berry, Walpole's number 1 player, missed the last eight matches because of a hockey injury. "He was probably one of our better players," said Coach Woronicz. "But we had a couple of good walk-ons in Kelly, Todd and McNutt, who were nice additions to the team."

A notable accomplishment by the team was a win over the powerful Wellesley Red Raiders in October, igniting a seven game winning streak. "We kept improving our record from 3-2," said Woronicz. "Walpole won seven in a row, but then lost the last couple. We ran into daylight problems and played six holes with the top six players (instead of the usual nine-hole match). And we had a forfeit due to the daylight conditions."

The team finished with a 49.5 stroke average, another solid season for the Rebel golfers.

Boys' Soccer

The 1989-90 Boys' Soccer Team entered the season with high hopes, after a successful pre-season. Although their record of 5-9-4 was not as good as they might have liked it to be, the Rebels were still very competitive.

This year's team, which was coached by Leo Delaney, played well but had trouble scoring in key moments. Many of the games remained close until the very end. One particularly frustrating loss for the Rebels occurred against Needham. The Rebels, after leading 1-0 at the half, were defeated by a score of 1-2.

The team, which consisted of eleven seniors and ten underclassmen, was captained by Peter Esselman, Greg Friedholm, and Greg Giandomenico. Four members of the team were individually honored. Seniors Greg Friedholm and Jack Platukis were named Bay State League Coaches All Stars, and Brian Healy and Sean McCormack received Honorable Mentions in the Bay State League.

The 89-90 Rebels Soccer Team will always be remembered for its fine sportsmanship, aggressiveness, stamina, and team spirit.

GIRLS' SOCCER

The 1989 Girls' Soccer team finished their season with a 7-4-4 record. These numbers, however, do not paint the whole picture. They do not say how the girls had a rough start due to some personnel and position changes, but then bounced back and powered their way to a 5-2-2 record in the second half of the season. They do not tell of the big wins over the powerhouse teams of Wellesley and Natick, and the ties with Framingham North and league leading Needham. It is clear that once the team got settled that it had all the talent and desire of a first class team. Although they did not qualify for the tournament, several girls were honored by being named as All-Stars. They were Carol Kelly, Carrie Loring, Amy Hurley, Allyson McDonald, and Bonnie Rowe. And, with a majority of Juniors, the Girls' Soccer team is looking very promising.

GIRLS' SWIM

Despite the fact that they were enthusiastic and gave their best effort, the Girls' Swim team ended their season with a 1-11 record. This year's team, coached by Cheryl Mealey, was small, consisting of only twelve members. Because of this, each swimmer was required to perform a demanding task by competing in at least three events.

The Girls' Swim team was a group of hard-working individuals, some of whom were chosen to compete at both the Sectional and State competitions. Amy Richard swam in the 200 individual medley and the 100 meter breast stroke, and Beth O'Leary competed in the 400 meter freestyle. Also, Lynne Giesecke, Carrie Larsen, and Linda Parlon participated in both the 200 meter medley and 400 meter freestyle relays at these competitions.

Special recognition was given to certain swimmers who were chosen for superlatives by their fellow teammates. Linda Parlon was voted Most Helpful and Most Valuable, while Beth O'Leary was named for having the most team spirit. This year's senior Captain Laurie Trudeau also cited divers Kelly Brintnall and Shaw Hubbard for doing an especially good job.

The graduation of the team Captain and only senior Laurie Trudeau, leaves the last original member of the swim team that started only four years ago. Three Co-Captains, Beth O'Leary, Jodie Feeny, and Linda Parlon will continue in their positions for next year, and hope to realize the team's full potential.

VOLLEYBALL

This year's Volleyball squad finished the season with an 11-9 record, just falling short of competing in the tournaments. Peter Turco coached this hard-working and enthusiastic team, which included four seniors, Shuchi Gupta, Lynne Kelliher, Carol Knight, and Tina Silvi.

Special recognition was given to senior Co-Captain Carol Knight who was named a first team Bay State League All-Star. Junior Co-Captain Allyson Leonard was named as a second team All-Star, as was junior Kerry Jackson.

The highlight of the Volleyball season was Walpole's victory over undefeated Milton, when the third set of the game was won by two points. At the other end of the spectrum, the season's low point was in the final game. Walpole needed to beat Framingham North to enter the tournament, but unfortunately were defeated. This was disappointing for the team because they had worked so hard to get to this point.

Next year's captains are Kerry Jackson and Allyson Leonard who hope to lead the team on to more success.

CHEERING

The Cheerleaders gave their all at the football games, Superbowl and the Competition meet. We will all remember our football team running through the goal posts on which the cheerleaders had hung a paper banner of the new rebel flag. Pictures of this were laminated and given to each football player.

Before each game the cheerleaders gave the Football players "The Spirit" - sometimes a bag of candy to psych them for the game. Many times players homes were "decorated" before big games.

Of course the most exciting time of the year was the Superbowl. What a thrill to lead the cheers at Sullivan Stadium! At the same time it was also a stressful game because of the close score.

Andrea Glynn won the Bay State League all-star award.

Cheerleading coaches this year were Judy Pepin and Nancy MacDonald. The team captains were Andrea Glynn, Stephanie Nolfi and Michelle Denneen. The other seniors were Mandy Mannochio, Cindy Harding, Kristin Lombard, and Michelle Kneeland. They will be missed by the rest of the team.

GIRLS' BASKETBALL

The Walpole High School Girls' Basketball Team finished off yet another successful season with a record of 13-5 in the Bay State League and an overall record of 15-7. Seniors on the team included co-captains Carrie Loring and Carol Kelly, in addition to Patty Collins, Carol Knight, and Tina Silvi. Coach Sue Brainard said that the seniors were "leaders", and "provided playing strength and a good positive attitude".

Brainard said that there were many highlights in this year's season, one of which was the tenth game, played against Wellesley. Walpole was the underdog because the first time they played Wellesley, they lost. This time, though, the Rebels defeated the opposition on their court by two points. Another exciting game was played against Milton, eventual state champions. Even though Walpole lost, they tied Milton mid-way through the third period, and according to Brainard, "played a tough game". The final highlight for the team was the First Annual Hoop Classic which was held over February vacation. Other schools that competed included Archibishop Williams, Newton North, and Oliver Ames, who won the tournament.

Certain members of the Girls' Basketball Team were recognized for their achievements. Co-captain Carrie Loring was a Bay State League first team, Hoop Classic, and Daily Transcript All-Star, and a Patriot Ledger All-Scholastic. Junior Amy Hurley was a BSL first team and Hoop Classic All-Star, and Ally Leonard, another junior, was a BSL second team All-Star. Hurley and Leonard have been chosen as next year's captains.

Coach Brainard sees next year's team as going in with more experience, but lacking in size. In terms of aspirations, Brainard hopes they "do as well as this year, or better"!

Boys Swimming

The Boys' Swim team had a rebuilding year with only one senior on the squad. That senior, Greg Giandomenico, is a three year returning captain of the team. The other captains are junior David Giesecke, and Sophomore Tom Parlon.

The Rebels were plagued by low numbers of team members and finished the season with a 1-6 record. The win came in a non-league meet against Quincy.

Although this year's Boys' Swim Team was unsuccessful together, there were a few shining stars. Greg Giandomenico qualified for the State meet in the 100 yard freestyle event. Tom Parlon qualified for the sectional meet in his 500 yard freestyle event, and Dave Giesecke qualified for the sectional meet in the 100 yard butterfly event.

The Walpole Boys' Swim Team hopes to gain numbers next year, and to be a real league competitor. These goals are certainly obtainable considering the four returning varsity juniors.

Winter Track

The Winter Track team had a disappointing season this year. The team, coached by Greg Demeo and Assistant Coach Zitoli, couldn't quite seem to put those extra tough meets in the win column. Their final record of 4-5 is nothing to be ashamed of, but the team wasn't satisfied.

Some of the team leaders this year were Pat Ware, Tom Keaney, Chris Valle, Joe Saba, and Andy Sutton, Pat Ware was an all round track athlete competing in both running and jumping events. Chris Valle's forte comes in the hurdles. The other three mentioned above were all throwers. The big meet of the season was against rival Norwood. The Rebs just couldn't pull through this one, and lost a heartbreaker by a narrow margin.

The team has high hopes for the future. Although losing valuable seniors, there is also much young talent coming up such as Kathleen Woodson, who captured the League Title in the two mile run. With talent like hers and with the talent of other young runners, the Rebels Winter Track Team will be a hard team to beat in the future.

HOCKEY

The Walpole ice hockey Rebels enjoyed a very successful 16-5-1 season this year, giving them a berth in the tournament. The eight senior Rebels made significant contributions to the team.

Rob Arthur "was a steady defender who never backed down from anybody," said coach Ed Kirrane. Doug Byers scored a goal and three assists, and was one of the three Rebels on the dreaded "vulture line." Vinnie Curran had 13 points this year. "Vinnie was a three-year varsity member and showed great poise," noted Kirrane. Co-captain Greg Friedholm was awarded the League Sportsmanship Award, was named a playing All-Star, and won the team's Todd Baronowski Award as the best defenseman. "He plays with great sportsmanship and fair play," said assistant coach Lee Delaney. Rob Goodnow "was the center for the vulture line, and also created problems everywhere," said Kirrane. Brian Healey "was also on the vulture line that tormented and haunted the opponent," Kirrane mentioned. Co-captain Scott MacDonald scored 31 points this year, won the team Most Valuable Player Award, was named a Daily Transcript and a Bay State League All-Star, and was nominated by the BSL as MVP. "Scott's biggest asset was in the way he improved from last year," said Kirrane. Peter Niland, one of the Rebels two strong goalies, received the Coaches Award for his didication to the team.

The junior members of the team were Mike Bailey, Rich Dempsey, Paul Poirier, Mike King, Brian Sullivan, and Brian Touhey. Brian Crowell, Jayson Petroni, and Peter Nixon were the sophomore team members while Neil Yonker and Scott Friedholm represented the freshman class on the team.

BOYS' BASKETBALL

The 1989-90 Boys' Basketball Team was very optimistic at the start of the season following their great success last year. Although the Rebels played hard and were very competitive, their record of 7-13 was not quite what they had hoped to achieve.

This year's team, which was coached by Don Byron, showed their impressive talent with a few fantastic finishes. The Rebels won their opening game against Wellesley by one point. Another great win came against Foxboro when Dan Hayes hit a jump shot with just three seconds to go.

One of the most disappointing losses for the Rebels came against Framingham South. Walpole was defeated by two points at the buzzer.

Two members of the Boys' Basketball Team received individual honors. Senior Dan Hayes and junior Matt Cox were both named Daily Transcript All-Stars and Bay State League Playing All-Stars.

Although an injury to one of the key players, Todd Collins, prevented the 1989-90 Rebels Basketball Team from doing as well as they would have liked, this team will always be remembered for their perseverance and team spirit.

GYMNASTICS

The 1989-90 Girls' Gymnastics Team was a young team. It was composed of no seniors and only three juniors. The majority of the team members were freshmen.

Because of their youth and inexperience, the Rebels were unable to win more than one match. This praiseworthy win came against Brookline.

The team, which was coached by Lisa Grant, had some really talented competitors. The three most consistent high scorers were freshmen Shaw Hubbard, sophomore Kelly Brintnall, and junior Laurie Niss.

This year's team showed a great deal of team spirit and determination. Although they didn't achieve a winning record, they can always be proud of both their individual and team efforts.

WRESTLING

The 1989-1990 Rebel wrestling team posted one of its best teams of the decade, according to coach Barry Greener. For the first time in many years, the Rebels came close to winning a Bay State League title and had a viable shot at a sectional title. Although the team did not achieve these titles, they finished with a strong 14-5-1 record, which included a 10-match winning streak.

A tie to Dedham, which should have been a win for the Rebels, and tough losses to powerful teams from Framingham North and Norwood, cost Walpole the league title. The Rebels had three or four close matches which could have gone either way, but the Rebels were fated to get the short end of the stick.

At the Marshfield Christmas Tournament, the Rebels finished in fourth place with only seven of the thirteen wrestlers competing. After this impressive performance, the wrestlers felt good going into the sectional meet with a full team. Although they finished in fifth place in the South Section, they had many strong individual performances.

Mike Healey and Matt Wassel, both juniors, were sectional champs, while Keith Tracy and John McInerney were runners-up. Dave Fallon finished in third place and Mike Gass in fourth. These six wrestlers qualified for the state tournament and three became place winners. Keith finished in sixth place and Mike Healey placed third, qualifying him for the New England Tournament. Matt Wassel became the second state champion in Walpole's history. The only other state champion from Walpole was Bob Fluckiger, who has played a vital role as the Rebel's assistant coach. Wassel went on to finish fifth in the New England Tournament.

With Wassel, Healy, McInerney, and many other talented wrestlers returning, the Rebels look to continue the success, pride, and sportsmanship of this year's team.

SOFTBALL

The pace of the Rebel's season was set when the team won it's first game against Wellesley's ace pitcher Lisa Moore 2-0. With superb defense and excellent pitching the Rebels held the Red Raiders scoreless. The Rebels next test came six games later when they played undefeated Braintree for sole possession of first place. Unfortunately, the Rebel's didn't come prepared to play since they lost 8-3. But, the Rebels showed their true spirit when they bounced back to beat Norwood 7-0.

In the second half of the season, Walpole went 9-2 with losses to Wellesley and Milton. However, the Rebels defeated Braintree 5-2 knocking the Wamps out of first place. Walpole's record was enhanced by winning the two day MVP Sports Tournament in Canton. Erin Platukis received the MVP trophy.

Walpole finished second in the Bay State League with a 17-3 record despite reporters predictions of the team finishing fifth.

At the end of the regular season, the team was seeded fourth in Division Two South. The team beat St. Clair's 10-4 in the first round. But, they lost a heartbreaker game to Dighton-Rehobeth 2-1 in the second round.

Carrie Loring, Karen Cole, and Katie Collins were selected as first team Bay State League All Stars, while Erin Platukis was selected for the second team. Loring, Cole, and Collins were also chosen as Patriot Ledger All Stars. Loring was also selected for the Globe All Scholastic second team.

GIRLS' TRACK

The Walpole Girls' Track Team finished their season with a 4-5 record. The team, led by captains Patty Collins, Lisa Plummer, and Laurie Trudeau, experienced a rebuilding year. In fact, the only seniors on the team were the three captains.

The Rebel girls have many Freshmen on the team this year, so the future looks promising. Some outstanding tracksters this year were Patty Collins and Kathleen Woodson among others. These two runners made it to the State meet, each in their respective event. Kathleen in the two mile and Patty in the High Jump. Both girls placed fourteenth in their events — an extremely impressive finish. Coaches awards given by Coach Anne Coombs were the most improved which went to Lisa Plummer, MVP which went to Patty Lee, and Coach's award which went to Dana Mandell.

Next year promises to be a great year for the Walpole Girls' Track Team with many returning runners and maturing Freshmen.

Boys' Track

This year's Boys' Track team improved their record over last year with a 5 and 4 record. Three seniors made their contribution: Ernst Francois, Brian Sullivan, and Chris Valle.

The meet against Wellesley will be remembered because everyone came through to do what they had to do to win - and it was a solid win. No one will forget the meet against Framingham South in the rain. The team ran through massive puddles to capture that win.

The team was a young one with lots of juniors and sophomores. Its distance runners were its strength. Brian Sullivan came out for the first time this year and helped out in the shot put and hurdles.

Award winners were: Most Valuable Player, Jack Dwyer, Outstanding Performer, Ernst Francois with 96 points, Most Improved, David Scanlon, J. Lee Gould Award, David Giesecke. Chris Valle placed sixth in the hurdles at the Bay State conference meet while Ernst Francois placed in four events: Long jump, triple jump, 100 meter, 4 x 100 relay.

Jack Dwyer gave the team its best performance in the Class C meet with his personal best time of 9:54.0 in the two mile.

Ernst Francois comes back down to Earth.

Front: Ernst Francois, Danny Armstrong Seated (L to R) Scott Gaitani, Joe Pendergast, Garreth Peters, Paul Collins, Sean O'Connell, Matt Reardon, Dave Scanlon, Chris Quinn, Bill Langmead, Al Goetz, Jack Dwyer, Scott Wilkas, Mark Delaney, Ken Collins Second Row: Dennis Connelly, Al Kalvitas, Tony Staley, Michael Whooley, Kevin Merrikan, Mike Connelly, Andy Healy, Bryan Prasse, Chris White, Dave Peters, Mike Healy, Mike Welsh, Mike Lombard, Mark McCabe, Coach Charlie Zittoli, Coach DeMeo Last Row: Dan Rowe, Neil Carey, Dave Giesecke, Mike Peck, Brian Sullivan, Dan Cence, Eric Minkwitz, Dave Macone, Mark Bevivino, Scott Palleiko, Carlton Knight, Brian Touhey, Jason O'Neill, Kevin Irvine, Matt Cox.

BASEBALL

The Walpole Boys' Baseball Team came into this season with hopes to win the League Title and to possibly contend for the State Title. Their first goal was dashed with tough losses in "... games we should have won ..."

This year's team was led by captains Leroy Decker, Todd Collins, and John Griffin. Todd and Leroy along with Dan Hayes and Chris "Civ" Costello made up the strong pitching staff of this year's Rebels. The pitchers were supported by seniors Keith Walonis, Brian Terio, Chris Rose, and Dave Fallon among others.

The Walpole boys qualified for the tournament with their 16-4 record. The team made it past their first two opponents, Attleborough and Nauset. In the third round of the post season play, the Rebs lost a close one to Franklin, putting a close on their second goal of the season.

Many awards were won this year by the team members. Bay State League All-stars include Keith Walonis, Leroy Decker, Brian Terio, and Todd Collins. John Griffin was voted to the *Daily Transcript* All-star team. *Patriot Ledger* All-scholastic All-stars were Keith Walonis and Leroy Decker.

Next years team will consist of many first year starters for the Rebs, seeing that they are losing nine starters from this year. The Walpole Boys' Baseball Team will hopefully keep up the winning tradition set by their predecessors and maintain Walpole's pride.

Boys' Tennis

The Boy's Tennis Team finished 4th in the Bay State League for the 1990 season. During the first half of the season, the team went 4 and 5. Their second half score of 7 and 2 shows how they improved through the season. According to first year Coach Grant, the outstanding match of the season was against Needham. "Needham was better than we were but in spite of it we beat them 3-2 in the second match." He attributed this win to continual hard work on the part of the team. Every day each team member ran two miles to keep in top shape.

Jack Platukis played a number one singles all year and played very smart, beating every team he should have beaten. Brian Yergatian and Jeremy MacNutt were Bay State Conference all-stars. They came together early in the season and steadily improved to become the best doubles. This was Brian's first season on the team. Seniors on the team this year were Mike Rogol, Jack Platukis, Brian Yergatian and Mike Gass.

The Jr. Varsity team also had a good year. There were six freshmen and they played many upperclassmen, gaining valuable experience for future seasons.

GIRLS' TENNIS

The Girls' Tennis Team had a "terrific" season under third year coach Carol Crocker. The Rebel girls were untouchable with an 18-0 record, claiming the Bay State League Title.

The incredible thing about this team is that there are no seniors on it. Captains are juniors Ally Leonard, Ally McDonald, and Debbie Walsh. Other Varsity players are Colleen Barry, Blake Palamino, Betsy Dornan, and Kristin Olmstead.

All three of the team captains were nominated for awards. Ally McDonald was nominated for Bay State League All-star at first singles. Ally Leonard was nominated for Bay State League All-star, and was a *Patriot Ledger* All-star. The first doubles team of Debbie Walsh and Kristin Olmstead was also nominated for an All-star spot. Coach Crocker, who has accumulated an extremely impressive 57-4 record in her three years (three of the losses came in the tournament), was nominated for Bay State League's Coach of the Year award. The team itself made it to the state semi-final match, where they were knocked out by top seeded Concord-Carlisle.

High expectations are put on this young team for next year. Surely they will come out once again to do what they do best — WIN.

Kristin Olmstead steps in to hit her winning forehand.

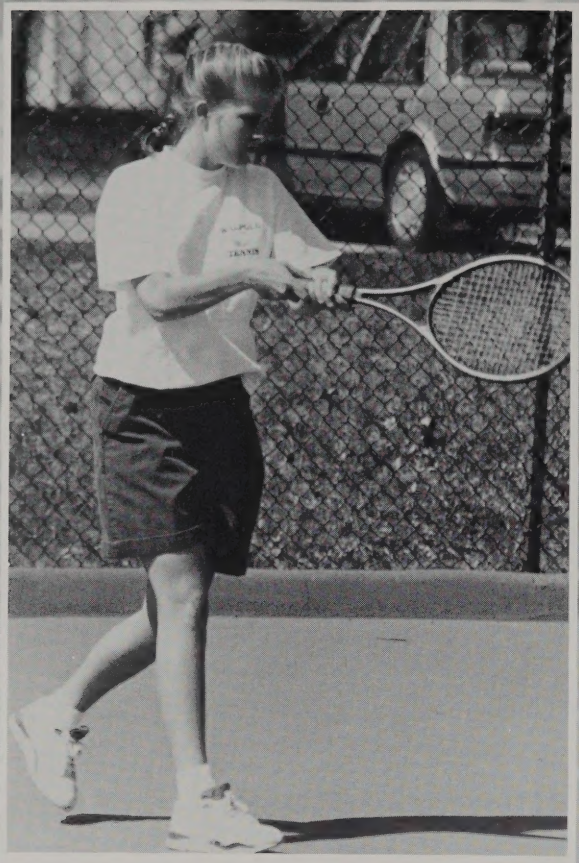
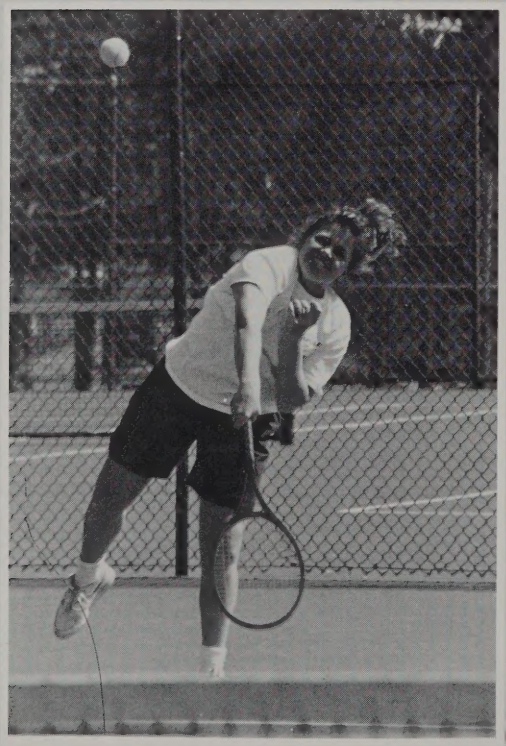
Kathleen Woodson smashes a top spin forehand from behind the base line.

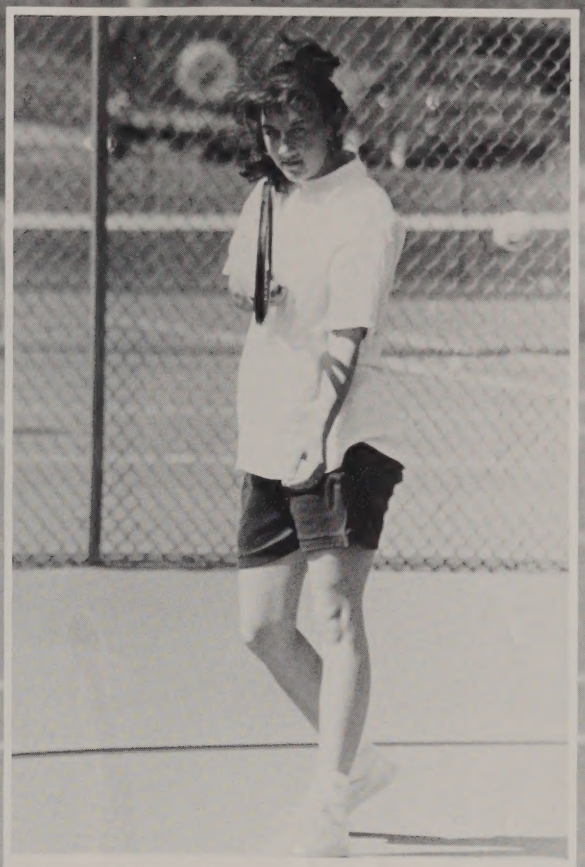
Doubles force Debbie Walsh and Kristin Olmstead warm up before their match.



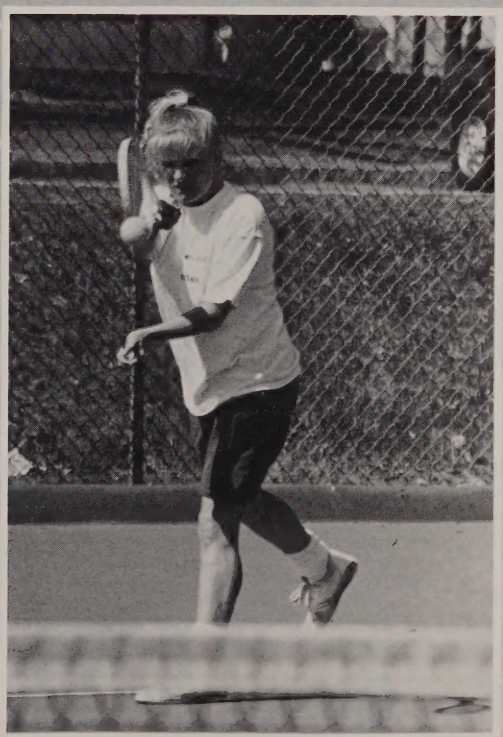
Ally Leonard hits a vicious backhand during a second singles match.



Ally McDonald has lots to smile about considering her winning ways.



Dawn O'Connell eyes the ball on this powerful forehand.



Colleen Barry follows through on her top spin forehand.

South Park, Walpole, MA

LOOKING AHEAD

In the year 2015 the class of 1990 has accomplished more than any other class from Walpole High School. We have interviewed several of the most successful members of the class of 1990 and described their achievements below. This year, 2015, twenty-five years after graduation this class continues to seize the day and make an impact on the world.

Recently JENNIFER BAXTER has taken a break from performing and teaching around the world to open her own business. Jenn has decided to offer singing lessons and will no doubt produce the hottest voices of the future.

JOHN BELCHER has been personally responsible for saving the lives of thousands of desperate people. John works in the emergency room at Mass. General Hospital. Cool under pressure and quick skillful thinking have helped John to help so many who were near death.

After opening her sixth club internationally, ANDREA BENSON returned home to Boston, where her dance club business all began. She now plans spending sometime relaxing with her family in the Bahamas.

JEN BERRY has recently been recognized by president Kevin Irvine as one of the nations finest FBI agents. Jen has single handedly been responsible for finding over 300 missing children this year.

STEVEN BERRY'S sell out concert at Sullivan Stadium this year has made him into one of the music industry's legends. Steve has been compared to such rock greats Eddie Van Halen. Steve and his wife, Tina and their two children are presently vacationing in Hawaii.

NORAH BOYLE has become one of the world's most influential abstract artists. Her paintings have been selling at an unbelievably fast rate. Norah is presently living in New York City and rumor has it that she is planning to open her own art gallery.

LIZ COFFIN has recently become the anchor woman for ABC nightly news. Liz has been one of the world's leading newspaper journalists for the past ten years. She has recently ventured into T.V. and has advanced rapidly.

In 2012 PATTY COLLINS added one last gold medal to her collection, now making four and has retired from her Olympic days and is concentrating now on preparing for next years Boston Marathon.

TOM CONNOR has returned from his top-secret undercover job for the FBI. T.C. was dubbed a national hero for his efforts in the drug underworld and plans to celebrate with his wife Tara in the Bahamas.

After pitching his 37th straight no-hitter, for the Red Sox CHRIS COSTELLO announced the grand opening of his restaurant which features a tribute to dozens of baseball greats such as Roger Clemens and Carl Yazstremski.

KEITH COX, the world's richest and most powerful contractor and his gorgeous blond wife have just purchased a huge mansion in Ireland where they plan on raising their four children and adding to their world renowned collection of motorcycles.

NANCY DARISH has recently returned from Paris, France where she viewed the newest line of fashion. Nancy has been president of merchandising services for a large retailing company in New York for the past seven years. She has set the style for New York women.

Nobel Prize winner CHRISSY DAVEY has recently decided to travel throughout Europe and lecture on the newest medical techniques. After this six month tour Chrissy and her family of three plan to vacation in Egypt for the remainder of the year.

GABRIELLE DESAVAGE recently received her sixth grammy for her album featuring herself on piano performing all her original music. Andrew Lloyd Webber presented the elated Ms. DeSavage with her latest addition to a rapidly growing collection.

KRISTI (DOHERTY) FRIEDHOLM, leading psychologist at Stanford University has just revealed her plans to open her own practice consulting such movie and modeling greats as Andrew McCarthy and Christie Brinkley.

MARY-ELLEN DOLAN has just announced the birth of her third child. Mary-Ellen and her husband, have also just moved into their new pink home on the coast of California. They also started to plan for their year long vacation in Spain.

JEN DUFFY has recently returned from Japan where she has spent much of the past year. Jen has become one of the world's leading business women. Her fluency in over six languages has played a major role in her success. Jen has informed us that she is in the process of writing a book on International business and her personal experiences.

KATHLEEN DWYER, who has just returned from her annual two week vacation in Aruba with her husband, and their five children has announced the opening of her own clinic. Kathleen is one of this country's leading speech pathologists.

MICHELLE ELEFSIADES, the widely respected Spanish translator for U.N. special assignments, has announced her plans to get married to a long time acquaintance and travel with him all around the world.

After taking a year off after college to travel with a soccer club in Europe, PETER ESSELMAN is planning entering graduate school with hopes of becoming a lawyer. Peter also has secret plans to get married - rumor has it Lisa Huck is a strong candidate.

"GOODBYE"

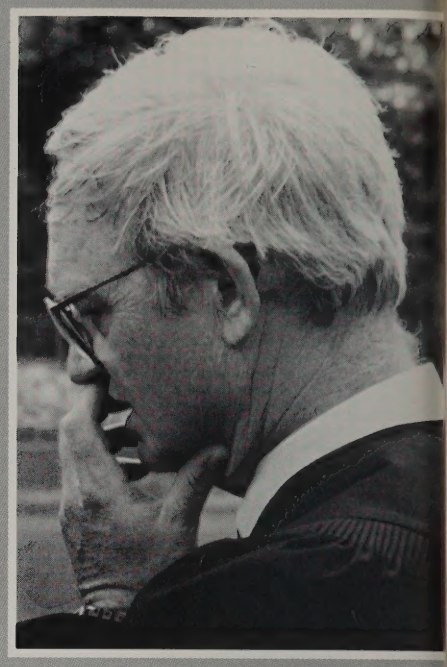
from The Yearbook Staff

These are the incredibly capable people who deserve all the credit for this terrific yearbook with its own individual character and flair. They would not settle for an ordinary book; they worked to make this an historical record of their years at Walpole High School. They added their own touches and tried to incorporate the talents of others in the class. Every page was carefully thought out. One special addition was the revival of a class prophecy which was an unbelievable undertaking and accomplishment.

Even after graduation three or four staff members were in the yearbook room for some part of every day until the end of school to complete their work. They wanted to do a first class job and they did. Good luck to all of you wonderful people. I'll miss you.

Mrs. Powers,
Yearbook advisor

Thank you, Mr. Brown



This yearbook is dedicated to Mr. Thomas Brown because of his devotion and service to the students of Walpole High School. Since 1962 he has been a respected member of Walpole High School's science faculty, educating students in physics and chemistry as well as serving as science department head for many years. But his service to the high school extends far beyond the classroom. He is the senior class advisor to the Class of 1990 and is the assistant coach of the varsity softball team. He has also served as Vice President and Chairman of the Walpole Teachers Association Salary Committee, on the National Science Teachers Association Program Committee for the Regional Convention, and on the Steering Committee for the school evaluation.

Mr. Brown has also made significant contributions to the Walpole community. He has coached Little League baseball and has been the Vice President of Walpole Little League for two years, headed the Blessed Sacrament CYO, been secretary of the Walpole Knights of Columbus, and has been the chairman of various science committees in Walpole.

Mr. Brown is extremely dedicated to his students. Each year he invites his physics class to his house for an astronomy program and hosts a party for the class at the end of the year. He spends one night a week for several month each year driving some his students to and fro a physics course at Harvard Extension Schoo He also helps the Academic Decathlon Tea prepare for its competitions. He is always wil ing to take time to help his students learn mo about science.

When asked why he chose teaching as a caree Mr. Brown replied, "I saw it as a way to d something meaningful." He said the thing h likes best about teaching is "the students." change he suggested in the education proces was to, "Give teachers more time to create. This shows why Mr. Brown is considered by hi students to be one of the most dedicated teach ers at Walpole High School. One senior put best when he said, "Mr. Brown has been on of the most important contributors to my hig school experience."
